SAUNA

Parafinska pomada drastično ubrzava eliminaciju toksina. Jednostavno se nanese na željenu regiju na kojoj želimo da pojačamo efekat znojenja.

* Ne nanosi se na grudi.

Paraffin pomada dramatically accelerates the elimination of toxins. It can be easily applied to the desired region, in which we want to increase the effect of sweating.

** Do not apply to the chest.*
